

Sample Site Drawing

2730 S Congress Ave
Austin, TX 78704
512-448-2992

Below is a sample site drawing to show how to draw out your existing yard.
Please note that you should include walkways, driveways, or existing trees or other plant material that you would like to remain after the landscape renovation, and to be included in your final plan.
Please refer to the general instructions sheet for detailed information on creating your site plan.
